I am a theatre artist and technician from Connecticut who grew up as a lover of storytelling. That passion carried me to Boston and New York where I have become familiar with the technical theatre community. Not only am I detail-oriented, but I am proficient in many design programs, enthusiastic about getting my hands dirty, and always open to learning something new!

## Education

### **Emerson College - Boston, MA - Aug 2021—May 2023**

Theatre Design/Technology BFA - Dean's List

### **Northeastern University - Boston, MA - Jan 2020—May 2021**

Media & Screen Studies and Theatre - Dean's List, Junior Scholar Award

## Work Experience

### **Technical Director - Forestburgh Playhouse - June 2023—Sept 2023**

Execute all scenic aspects of the seven main stage productions and two theatre for young audiences productions. Assist with drafting construction drawings from scenic design package. Oversee construction and installation of all scenic elements.

### **Technical Supervisor - Emerson Campus Centers - Apr 2022—May 2023**

Responsible for all technical aspects of Emerson Campus Centers. Oversaw venue maintenance in Student Performance Center. Managed and trained staff to operate and troubleshoot technical equipment. Advised theatrical groups regarding their lighting, sound, and scenic designs. Made decisions about buying new equipment.

### **Technical Assistant - Emerson Office of the Arts - Jan 2022—May 2023**

Assisted Office of the Arts Technical Directors across venues at Emerson College. Adept at using ladders, lifts, harnesses, a single purchase counterweight fly system, chair racks, organizing storage, folding softgoods, assembling staging, and more.

## Additional Experience

### Overhire Work

Electrician - 4Wall Entertainment - Boston, MA

Electrician - Huntington Theatre Company - Boston, MA

Electrician & Carpenter - SpeakEasy Stage Company - Boston, MA

### Event Technician - Emerson Campus Centers - Sept 2021—Apr 2022

Oversaw events in the Student Performance Center venues. Was responsible for executing technical needs of the events as outlined by the Technical Supervisor.

### Northeastern University Theatre Department

Assistant Stage Manager - *She Kills Monsters* - Sept 2020

### Intern - FV Stage Company - Collinsville, CT - Mar 2019—Mar 2020

Worked on productions of *The Trip to Bountiful*, *No Way to Treat a Lady*, and *Holiday Frivolity* as a technical assistant. Constructed raised platforms, stairs, ladders, and other set pieces. Brainstormed set designs with technical director/scenic designer. Masked and painted completed set pieces. Organized props, moved scenery, and helped with quick changes during performances. Put mics on actors and operated sound board for a complex show with a hectic schedule.
